

# HALLOWEEN

## Costume Safety

When purchasing costumes, masks, beards, and wigs:

-  Look for flame-resistant fabrics, such as nylon or polyester.
-  Avoid costumes with big, baggy sleeves, large capes, or billowing skirts.

## SEE YOU!

# Make it FIT

Wear well-fitting mask, costumes, and shoes to avoid blocked vision, trips, and falls.

Fasten reflective tape to costumes and bags to help drivers see you.

Make sure masks have large eye, nose and mouth openings.

## Novelty MAKE-UP

Follow all directions carefully.

Always test make-up in small spot NOT on the face, for an allergic reaction.

Remove it before bedtime to prevent possible skin and eye irritation.
